THANK YOU

On behalf of Kent Wildlife Trust, I would like to thank you for holding a fundraising event for us. Your efforts helped raise £266.61 for our cause.

Your donation will help towards the long-term survival of Kent's countryside and protecting our native wildlife, giving nature a chance amongst the pressures of the modern world.

We will put your donation to work immediately to help protect Kent's wildlife for the future.

It was an excellent evening and everyone I spoke to on Sunday were really impressed with the band and full of praise for you all .

Thank you once again for your support,

Yours sincerely

Julie Clare
